### **Donovan to Ask Castro To Free 23 Americans**

NEW YORK, Jan. 25 (AP) — James B. Donovan, the attorney who secured the release of Cubans captured in the Bay of Pigs invasion, said today he will see Premier Castro in Havana Saturday in an attempt to negotiate for the release of 23 American prisoners.

Donovan was in conference most of today in his office here, but declined to say with whom. He said the 23 Americans are in Cuban prisons, charged with "a variety of things." None was involved in the Bay of Pigs invasion, he said.
